The WARNEMUENDE-East (M 55/0 82) airfield was unserviceable and not occupied by the Soviet Air Force. The narrow-gauge railroad branch line leading to the MARKGRAFENHEIDE kasernes was dismantled. The kasernes that were still intact were occupied by refugees and resettlers. The debris of the destroyed hangars was being cleared.

Comment:

The information agrees with observation s                       
                     The landing field, though undestroyed, is in such poor condition that aircraft cannot land there. There are no indications of intended occupation of the field by an air unit.
